

Objective: Accumulate as many points as possible in time allotted. Scored points, then time. Most points wins.

Point values:

- Niagara Falls and River - 200 pts (must be taken in direction and order shown)
- Anchor Bar - 150 pts (pinwheel may be taken in either direction beginning at any jump, but must be taken in flow)
- Darwin Martin Estate - 100 pts (must be taken in direction and order shown)
- Buffalo Central Terminal - 100 pts
- Rainbow Bridge - 50 pts
- Erie Street - 50 pts (jumps may be taken in any order and direction)
- Ralph Wilson Stadium - 50 points
- Metro Rail Bored Tunnels - 50 points (the combo may be taken in either direction in flow)
- Potholes (the three unlabeled jumps) - 10 points
- Cave of the Winds - 0 points

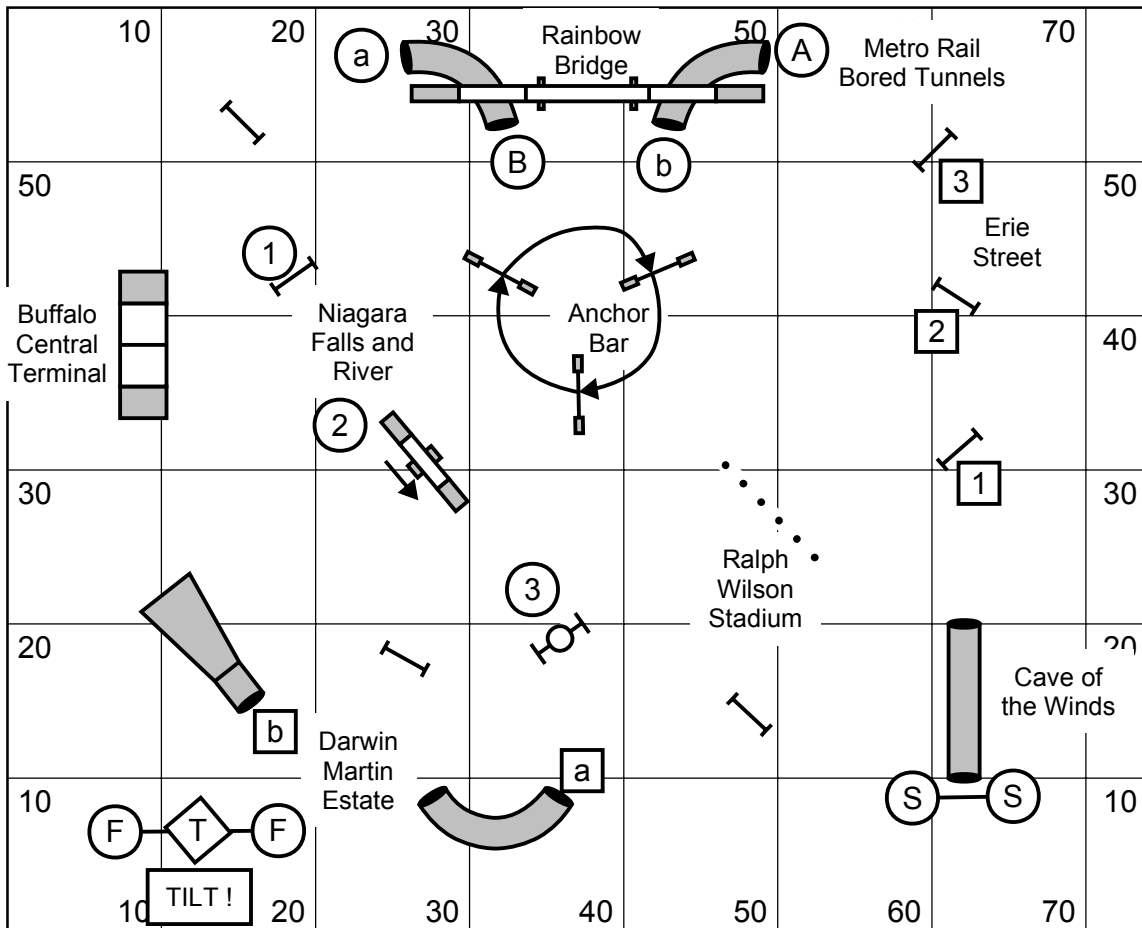

Obstacles and sequences may be taken only twice for points. Faulted obstacles / sequences will result in no points for that attempt. No "partial credit" for incomplete sequences.

Time begins when the dog first crosses the start line - all dogs must start by taking the Cave of the Winds. Time ends when the dog gets at least one paw on the table. Table (TILT !) is live at all times.

Point accumulation time is 45 seconds for 12"/16", 50 seconds for 4"/8" inches. Whistle will sound.

Minimum points to qualify:

- Games I - 400
- Games II - 500
- Games III - 600
