

Petit Prix Results ~ Eastern Region

The tournament in Latrobe was amazing, fun and intense. Over three days all dogs competed in ten games and courses, accumulating points for placement against the field; game, by game.

The final round was *Jumpers*, a fast and only slightly technical romp to determine the field of winners.

The final 40 dogs were placed by tournament rules. The winner of each jump height earned the Teacup National Agility Champion (TNAC) title.
