All dogs must be kept on leash except in designated areas.

PLEASE VOLUNTEER AT THE TRIAL!

Volunteers are the backbone of any agility trial. By its very nature TDAA is small. Small dogs, small equipment, small trials and small number of handlers. We need all hands to make a trial work. Please volunteer to work during classes you are not running in. We will make sure you get adequate time to warm up your dog and do your walk-through. We want everyone to have a pleasant experience running in TDAA while at the same time helping to make the trial run smoothly. Don't worry if you don't know how to do a job! They are easy and we can show you how! Help is also needed with set-up and clean-up after the trial.

Thank you so much for volunteering!

GAMES

Near and Far is a simple sequencing game with modest distance challenges. For the most part the handler can run along with his dog (Near); but in the distance challenges the dog must work away (Far). Near and Far is scored Time, Plus Faults Less Bonus. ER7

Mikey's Game is a fun mixture of Tunnelers and What's My Line. After running a numbered course consisting only of tunnels, the handler must direct the dog to perform other obstacles on the field once (and only once) in the order and direction of his choosing. Mikey's Game is scored Time, Plus Faults. ER5

Scamper is a dog's strategic choice game featuring a pipe tunnel surrounded by other obstacles (usually only 5 or 6) only once followed by a central pipe tunnel. Scamper is scored Time, Plus Faults. ER5

Dare to Double is a dog's-choice game. The objective is to score as many points as possible, repeating a doubling obstacle on course as often as time allows. The dog risks losing half his points if the A-frame is faulted! The dog must get to the finish obstacle before course time elapses or be penalized. Dare to Double is scored Points, Then Time. ER2

Additional information on the games can be found

Height Divisions

TDAA offers the following Jump Height Divisions: 2", 4", 8", 12", 16". Owners/handlers are responsible for entering their dog at the proper height division, both the dog's measured jump height and the height at which they want their dog to jump at the trial. Per TDAA rules, dogs may be entered at any jump height desired; however, the scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. The judge reserves the right to measure dogs entered in any trial. Any dog that has not previously competed at a TDAA trial must be measured before competing.

Jump Height Exemptions (only applicable for National or Regional Competitions):

In national or regional competitions, such as the Petit Prix, dogs are required to jump at their measured height, as adjusted for any jump height exemptions to which they are entitled. Jump height exemptions are provided for dogs that are long-backed, have a weight-to-height exemption, or who have dwarfish legs (see k9tdaa.com, TDAA Rules and Regulations, Sec. 3.5.3 for descriptions of jump height exemptions). A jump height exemption (next lower height) will also be granted to veteran dogs (dogs at least 7 years of age) and a second exemption (two jump heights) will be granted to "double digit" veterans (dogs at least 10 years of age). You may subtract one height for veteran status, one for double digit veteran status, and one for body exemption from Measured Jump Height.

Veteran dogs - Dogs of at least 7 years of age. Veteran dogs receive an extension in standard course time. 4" veterans receive an additional 4 seconds while 8", 12" and 16" veterans receive an additional 2 seconds.

Double-digit Veteran Dogs – Dogs at least 10 years of age will receive an extra extension in standard course time of 2 seconds.

Disabled Handlers - Will be granted a time exemption of 4 seconds for Standard course times and 4 seconds for Qualifying course times for games classes. Proof of disability shall be the issued disability parking tag or other documentation. There will be no special system of titling for veteran dogs or for disabled handlers.
