Legs Only one jump height reduction for any combination of body type exemptions!

Check if this is a challenge to the dog’s original jump height measurement.

It is no longer necessary to present a jump height certificate when entering a TDAA trial. TDAA Rules allow handlers to enter their dog at any jump height. The scoring height continues to be the dog’s measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles.
