Exemption codes: E-1 = Long Back E-2 = Weight to Height E-3 = Deep Chest/Dwarfish Legs
Only one jump height reduction is allowed for any combination of body type exemptions.

Check if this is a challenge to the dog's original jump height measurement.

After you receive a Temporary Jump Height Form or Jump Height Certificate, please present it when entering a TDAA trial at any new club.

TDAA Rules allow handlers to enter their dog at any jump height (with the exception of the Petit Prix tournament). The scoring height continues to be the dog's measured jump height. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles.

* The number starting with the letter "P" connects the dog to the handler/owner in the TDAA database that stores records. It is not a membership number.
